

## What A Mess!

Dad went to Beth's messy room. There were toys on Beth's bed. There was a chess set on the window sill.

There was a red dress on the rug.

“What a mess!” said Dad.

Dad left Beth's mess. He met Fred in the next room.

“Where is Beth?” asked Dad.

“I bet Beth is in the shed,” said Fred. “Let's go look.”

“Let's tell Beth to clean her room. It is a mess,” said Dad.

Fred and Dad opened the door to the shed. The shed was a mess, too!

“What a mess!” said Dad.

“I can't find my box of shells!” said Beth.

“Well,” said Dad, “maybe you will find them when you clean up the mess!”

“Yes,” said Beth. “Maybe Fred will help!”
