

## Rose Got a Note

One morning, Rose woke up. She put on her robe.  
“Here is a note for you, Rose,” said Mom. “The note was taped to our door.” Mom gave Rose the note.

Dear Rose,

Let's go to the cove with my mom. We can look for bugs. Wear your boots. Bring your notebook. We can write down what we see. It will be fun!

Your friend,  
Jake

Rose chose her mud boots. She packed her notebook. Then she rode her bike to the cave.

“Come here, Rose,” said Jake. “Look at those bugs under the stone!”

“Look close,” said Rose. “We can see lots of bugs in the hole. Let's get our notebooks and draw the bugs.”

Soon, it was time to go home.

“So long, Rose,” said Jake.

“See you soon, Jake,” said Rose.
