

## The Flute Tune

June is seven. She has a dog named Luke. She has a flute. June likes to play tunes on her flute for Luke.

June plays the flute every day. She likes to play a tune called “June’s Tune.” It is a silly tune! She also likes to play “The Happy Tune.” Luke makes a big howl when June plays tunes.

Soon, June will be in a flute show. She does not know which tune to play on her flute. Will she play “June’s Tune”? Will she play “The Happy Tune”? Luke likes **both** tunes.

June plays both tunes for Mom and Dad. They like “The Happy Tune.” June plays the “The Happy Tune” at the flute show. Everyone claps for June’s tune, but no one makes a big howl like Luke!
