

Paige Goes to College

Paige has a big sister, Midge. Soon, Midge will go to college. The college is a large school. Paige and her family will drive Midge to college. They packed the car. Paige helped Midge wedge a huge bag into the trunk.

It was long drive to the college. Midge read a large book. “That book is so large. It has so many pages!” said Paige.

At last, they got to Midge’s college. They got to see the college gym. It was huge! “This gym is much bigger than the gym at my school,” said Paige. Midge smiled. She loved her college!

Paige helped Midge bring her things to her college room. Soon it was time to go. “Have fun, Midge,” everyone said.

Paige gave Midge a huge hug. “I will miss you, but I will come home soon,” said Midge.
