

Beth and Seth

Beth and Seth do math with each other. Seth Thinks math is hard. Beth thinks math is fun.

“Seth, I like math,” said Beth. “I can help you with math.”

Beth and Seth throw and catch with each other. Seth can throw so fast and so far!

“Beth, I can show you how to throw this fast and this far,” said Seth.

Beth helped Seth with his math. Seth helped Beth to throw fast and far. Beth and Seth liked helping each other. Beth and Seth learned a lot. Beth and Seth had a lot of fun, too!

Now, Both Beth and Seth like math. Now, both Beth and Seth can throw fast and far. Beth and Seth are glad that they can help each other.
