

The Power Pitchers

Mitch and Carmen went to play catch. Carmen stretched back and pitched. Mitch ran to catch it. Carmen pitched far! Mitch could not catch it, so Patches fetched it.

“Let’s make a team,” said Mitch. “You can pitch and I can catch.”

“Good idea,” said Carmen. “Let’s get Jeff and Jen Fitch to be on our team. Jeff and Jen Fitch can catch and pitch, too”

Mitch and Carmen named their new team the Power Pitchers. Jeff and Jen Fitch joined the team. Other kids joined, too. Mitch’s dad made team outfits. He stitched on the letters *PP*.

“Dad stitched on *PP* for *Power Pitchers*,” said Mitch.

On Sunday, the Power Pitchers played their first game. They played with a team called the Switch Hitters.

Carmen stretched. She got ready to pitch. Mitch got set to catch.

The crowd cheered, “Go, Power Pitchers!”
