

Lee's Tree

Meet Lee. He lives on Green Street. Lee can see a big tree from his room. The tree's green branches blow in the breeze. Lee likes to peek at his tree before he goes to sleep.

Every week, Lee needs to look after the tree. Lee pulls up weeds around the tree. Lee sweeps up the leaves that fall. Lee plants flower seeds under the tree.

Lee sees a deer near his tree. Lee peeks at the deer, but he does not go close to it. The deer eats the weeds that grow under the tree. Now Lee does not have to pull up the weeds next week!

Lee's best friend, Al, speeds up to the tree on his bike. Lee greets Al. Al parks his bike under the tree. Then Lee and Al play under the tree. Lee is lucky to have such a special tree.
