

Dogzilla

It was summer in the city of Mousopolis, and mice from	11
all corners of the community had come together to compete	21
in the First Annual Barbecue Cook-Off.	28
As the cook-off got under way, smoke from the hot	39
grills lifted the irresistible scent of barbecue sauce over the	49
roof-tops of the city.	54
A gentle wind carried the mouth-watering smell into the	64
distance, right over the top of an ancient crater. Before	74
long, a strange and mysterious sound was heard: "Sniff ...	83
sniff ... sniff."	85
All at once, the volcano began to tremble. And	94
suddenly, up from the very depths of the earth came the	105
most terrifying creature ever known to mousekind: the	113
dreadful Dogzilla.	115
Immediately, soldiers were sent out to stop the mighty	124
beast. The heroic troops were led by their brave	133
commanding officer, the Big Cheese.	138
"All right, you old fleabag," squeaked the Big Cheese,	147
"get those paws in the air - you're coming with us!"	157
Without warning, the monstrous mutt breathed her	164
horrible breath onto the mice.	169
"Doggy breath!" screamed the soldiers. "Run for your	177
lives!"	178
"Hey, come back here," shouted the Big Cheese to his	188
troops. "What are you, men or mice?"	195
"We're MICE," they squeaked.	199
